

FS V2 Headset – User Guide

Congratulations on choosing the FS V2 Headset made by Teleconnectors, India's Headset Technology Pioneer. This headset comes with a 3.5 mm stereo pin connection, designed for voice application.

Features

1. Professional grade enterprise communication headset with noise cancellation mic
2. Single cable binaural style design with 3.5 mm stereo pin connector
3. Suitable for both mobile phones and PC/Laptop
4. Compatible with Win 7/Win 10 and Linux
5. Plug and Play operation

Instructions

1. Extend the headband before placing the headset on your head. After placing it, adjust the headband for comfortable fit.
2. Position the earpieces directly on the ears.
3. Position the microphone two fingers away from the corner of lip for best transmission of your voice.

Operation - Basics

1. Your FS V2 headset can be used with the host phone/mobile phone directly. Please check with your IT team for any clarifications.
2. Connect the 3.5 mm stereo pin of your headset to the available stereo pin jack on the host.
3. Ensure that the headset (3.5 mm stereo pin) and the corresponding host are connected properly.
4. Please check with your sales contact at TLK office or dealer for confirmation on compatibility or further suggestions.
